Other Information - Overview, Special Expertises, Interests, beyond specifics in next lines		a 35-year independent businessman and successful 46-year veteran of small to large project development, marketing and sales for: business, government and military in both technical and non-technical markets. He has been working with \$10M to \$2B mining companies since 2009, quickly absorbing the technology and requirements for successful funding, mining and sale. He has developed or launched several profitable businesses and projects. He has been instrumental in developing ground-breaking, international projects and presence, being trained, updated, then mentoring dozens of start-ups in multi-national and local business clubs, as well as through 100's of stellar connections and information sources worldwide
