FUNDING ONLY – NO SALE UNTIL AFTER COMPLETION PHASE: These CCC inputs constitute your offer, which may be prepared as an AGREEMENT for signature.										
Conceptualization Income** - Preparation - Business Plan, Assets and Securities Docs; Presentations; Full Teams	1.5%	Annual EBITDA for five years ... OR ... instead of payments on EBITDA Net Profits -->	7.0%	Undilutable Founder's Equity Grant	IF strictly funding - no sale possible or desired - one of us at PS needs to be part of the Mgt Team or PS would become an unlicensed finder NOT allowed to accept a "finders Income" in most US states and other countries, and the paying Company, at a minimum, could be excluded from securities transactions in the US for a number of years. THIS SECTION IS VITALLY IMPORTANT for a funding-only scenario - READ the CCO link below.** For early-stage projects, we strongly suggest committing to all three sections. A PACKAGE OF ALL THREE SERVICES YIELDS THE BEST ARRANGEMENT, INCOME and RESULTS. Payment may be in Cash, Precious Metal or Founders' Equity NOTE: Conceptualization, Capitalization and Completion (CCC) Consultation is billed at \$500 minimum, \$250 per hour, all applicable to CCC Income.					
Capitalization Income** - Process - Cull Funders; Practice and Present; Negotiations, Paperwork and Distribution	10%	Less Undilutable Founder's Equity Grant, on Funding, Joint Venture or Eventual Sale	(Funding, JV or Sale requires an equivalent amount of work)							
Completion Income** - Profit - Best Implementation; Deepen Market; Periscope and Amplify for Max Performance, Possibilities and Opportunity	1%	Annual EBITDA Net Profits	(in lieu of Officer salary)
